Mood Swings

Performs songs from the 50's, 60's, 70's and 80's

*"Whatever the **Mood**, we can **Swing** it!" Sandy and Mike have known and worked with each other since they were teenagers in Texas. Both of them lived in Austin and New York and now they're back together in The Woodlands/Lake Conroe area.*

Sandy Coleman Vocals

"Any song, any style, you name it, and I've probably sung it." That's what this dynamic seasoned vocalist says when the phone rings for a gig. Sandy Coleman returns to her native Houston after a lengthy stint on the East Coast. Based in New York, she was a founding member of "International Women in Jazz".

***Mood Swings** gives Sandy the chance to combine over 30 years of varied musical experiences. Sandy believes singing is about having fun on stage and reliving a special moment in time with music.*

When not performing, you can find Ms. Coleman watching an old movie or just having fun with her beautiful daughter.

Mike Faltin Keyboard/Vocals

*"We play to the room and if we don't know it, we'll wing it!" That's how this experienced bandleader describes **Mood Swings**. "We love all kinds of music-- from Phantom to Merle, Gershwin to the Beatles, Ballroom to Disco, it's all good." Bringing over 30 years of performing experience to every event, party planners and talent agencies call on Mike Faltin and **Mood Swings** when they need a versatile and funky affordable combo.*

Meanwhile, back at the ranch, Mike's wife and daughter help to keep him grounded in the real world by playing board games, going to the park and just hanging out watching TV.

*Need to set the **Mood** for your **Wedding Reception**,
Class Reunion or **Holiday Party**? We can **Swing** it with **Live Music***
